

R3xm Recumbent Cycle

- Class I Med CE certified for therapeutic, rehabilitation and active-aging settings
- Intuitive, bright LED console displays only the feedback essential to therapists and clinicians
- Step-through design offers easy entry and exit
- Pedal crank arms are independently length adjustable from 3.8 cm–17.8 cm / 1.5”–7” without tools to allow rotational movement with limited knee or hip range of motion
- Seat swivels 160 degrees and locks at right, left and center to accommodate a variety of client needs
- Self-balancing pedals with heel cups and adjustable straps provide secure, stable foot placement
- Effortless one-hand seat adjustment fine-tunes positioning to suit users of all sizes
- Pedal cranks lock into numbered positions to easily verify crank height and clearly record client progress
- Transport handle is easily accessible, and top-down adjustment simplifies leveling after installation, maintenance or use
- Hand toggles make adjusting resistance easy and instant
- User-facing Ergoform hand grips provide comfortable use
- Ergo Form seat and back pad enhance comfort, support and ventilation
- Self-powered system provides cost-savings and freedom of placement within the facility
- WiFi connectivity accommodates optional Matrix Asset Management system
