Magnum MX Half Rack

MG-MX690

Maximize freedom of movement and strength training variety with the MX Half Rack. A configurable design allows you to truly make the training experience your own, and just like everything Magnum, our Half Rack will stand up to the most intense training environments.

- Includes j-hooks and adjustable safety bars
- Open-front design gives users freedom of movement
- Uprights with laser engraved numbers make bar-level changes quick and easy
- J-hooks made of high-density polyethylene (HDPE) to protect bar knurling from scratches
- Also available: MG-MX690-LH Low Height & MG-MX690-9 Extended Half Rack
