

Endurance Stepper

TOUCH CONSOLE

S-ES-TOUCH

For a workout that's natural and invigorating, our stepper delivers a superior stair-climbing experience for beginners and enthusiasts alike. Angled, independent motion mimics the feel of real stair climbing, while large non-slip pedals provide a secure feel and a low-maintenance belt-drive delivers smooth, quiet operation.

WiFi-enabled Touch Console features an app-based interface that mirrors familiar smartphone and tablet operating systems, making it easy for members to connect to the content that keeps them moving.

Note: Products with Touch Console must be connected to a power source.
