

Ultra Independent Biceps Curl

G7-S40-AS2007

The powerful, comfortable design of the Ultra Independent Biceps Curl makes toning and building the muscles of the upper arm more efficient and effective. Unique pivoting elbow pads and rotating handles make every curl smarter and more comfortable. An innovative, open design eliminates chest compression and makes entry and exit easier than ever. It includes elbow pad covers to protect the upholstery at touchpoints.

Also available in [Ultra Base option G7-S40B](#).
