RACKS & RIGS

Durable and versatile, our rigs are built to withstand tough training environments and a steady stream of strength enthusiasts going for their personal best. Count on our smart, simple designs for superior stability, integrated storage, and customized configurations that serve multiple users and fit virtually any space.

Our rigs offer customized configurations, so it's easy to create training stations that fit your needs, your space and the people you serve.

Laser-cut numbers and holes with 3" spacing accommodate a range of user heights and a variety of lifts.

3" x 3", 11-gauge steel uprights offer stability and support for users.

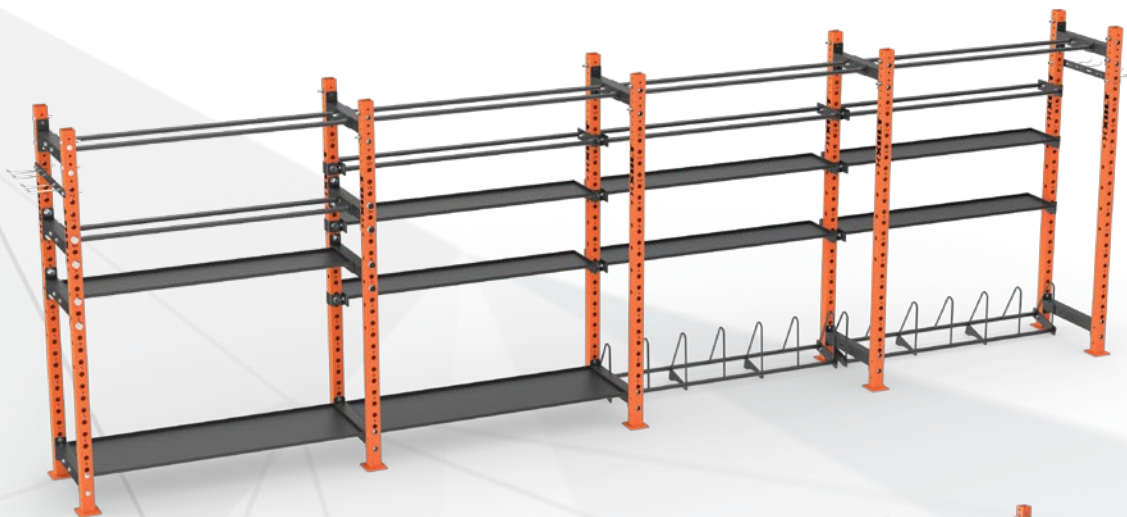

High-quality powder-coat finish provides a polished appearance that lasts.

RIGS LIMITED WARRANTY

Frame: 10 years | Finish: five years | Other Items: three years | Accessories: one year

** Original purchaser (non-transferable), warranty excludes normal wear/tear and covers defects in materials and manufacturing.
