

RXP Rower

- Intuitive touchscreen offers engaging graphics and an LED color wrap that helps instructors and rowers gauge intensity (compatible with ANT+ and Bluetooth)
- Ideal for creating metric-driven training circuits and original group rowing classes or for offering an engaging experience on your cardio floor
- Integrated testing protocols help instructors and members define and set personalized goals to make the most out of circuits and classes
- Interval, pace, target heart rate, goal-based workouts and Sprint 8 provide training variety
- Aluminum flywheel with 10 precise magnetic resistance settings offers challenge to first-time users and experienced rowers alike
- Low-maintenance cord and magnetic resistance system provide a smooth, quiet rowing experience
- Ergo Form seat delivers a more comfortable exercise experience
- Long, reinforced handle includes a comfort-enhancing over-mold
- Seat lock offers enhanced stability when getting on or off the rower
- Can be lifted to stand vertically, minimizing footprint
- Transport wheels simplify movement within the facility
- Aluminum rail reinforced with stainless-steel strips adds lasting durability

Console
