

Performance Treadmill

TOUCH CONSOLE

T-PS-TOUCH

For runners who demand intense performance and comfort in one, our Performance Treadmill exceeds expectations. Precision-engineered and powerful, our durable components stand up to heavy use, high-intensity workouts and performance training for years, and smart maintenance features make it easy to keep it ready for a steady stream of true enthusiasts.

WiFi-enabled Touch Console features an app-based interface that mirrors familiar smartphone and tablet operating systems, making it easy for members to connect to the content that keeps them moving.

Note: Products with Touch Console must be connected to a power source.
