

Lifestyle ClimbMill

GROUP TRAINING LED CONSOLE

C-LS-GTLED

Created for low-volume facilities, our Lifestyle ClimbMill features a compact design that makes it possible to bring climbing workouts to facilities with lower ceilings. Smart features make workouts comfortable and secure, and our durable components will keep your people climbing for years. It's even as easy to service as it is to use, so it will always be ready.

Make group training smoother and more rewarding with our Group Training LED Console. The interface is easy to navigate, and smart features help participants of all ages and stages stay in sync with instructor cues.
