

Reduce Equipment Downtime and Increase Member Satisfaction

CARING FOR YOUR INVESTMENT

Reduce your equipment downtime and prevent major repairs before they happen with the Preventive Maintenance (PM) Program from Matrix.

As your **Total Solution Partner**, we'll provide a smart, consistent regimen designed to keep all your Matrix equipment looking and performing like new while extending equipment life and protecting your investment.

START PROTECTING YOUR INVESTMENT TODAY

Contact your Matrix Representative or email pm@matrixfitness.com for more details. We will begin tailoring your maintenance program right away!

- Check pedal and crank torque

Recommended PM plan includes the following maintenance schedule:

Year 1: Four visits

Year 2 & 3: Bi-annual

The Matrix Preventive Maintenance Program is not a substitute for routine cleaning and periodic adjustments by your staff. Your staff should still follow the cleaning and adjustment procedures as outlined in the Matrix Cardio and Strength Preventive Maintenance documents. If you have any questions, call Matrix Technical Support (866-693-4863), Monday-Friday, 8-5 CST.
