

## Performance Plus Treadmill

PREMIUM LED CONSOLE

T-PP-LED

Our exceptional treadmill sets a new standard with a shock-absorbing slat-belt and a powerful drive system that make even the most intense runs feel comfortable, solid and smooth, lasting up to 100,000 miles in the most intense environments. Despite this incredible evolution of technology, service and maintenance have never been easier.

Give members the intuitive navigation of an LED with a more engaging look. An 8,000-pixel display fills the screen with color and sharp graphics, providing clear, easy-to-read feedback in large numbers and letters.
